

PROFESSIONAL SUMMARY

Detail-driven QA Engineer with 3+ years of experience ensuring product excellence in **real-time, distributed systems**. Improved release velocity by using scalable test strategies across Agile teams Experience in testing mobile applications, including test design, implementation, optimization, and test management.

EXPERIENCE

Comviva Technology, Senior Product Validation Engineer , July 2022-Present

- Document Test Scenarios, Test Cases, and Test Scripts while Understand and apply **TDD, BDD**, and **Shift Left** concepts.
- Conducted functional, **regression**, **smoke**, and **sanity** testing across all components, ensuring release readiness.
- Leveraged **Kubernetes, Docker** and Kafka to test distributed architectures and real-time streaming pipelines effectively.
- Authored **2000+** test by analyzing SRS/FSD docs, covering both functional and non-functional areas .
- Automated testcases using Robot framework with Selenium, reducing manual efforts by 40% .
- Integrated Github **Copilot** and leveraged **Agentic AI** capabilities to accelerate scripting and minimize repetitive task.
- Participated in 10+ UAT cycles, ensuring minimal post-release defects, & client satisfaction
- Build and Maintain **Automation Script Suite**. Utilize **Test Frameworks** and CI/CD tools effectively.
- Apply **Agile** Methodology and Manage tasks using **Jira**.
- Utilized containerization tools like **Docker** and applied **Kafka** expertise to validate distributed systems and real-time data streaming pipelines.

SKILLS

Programming Languages: Python

Database & Querying: SQL, PostgreSQL, SingleStore

Testing & Automation: Selenium WebDriver (Hybrid Framework), Robot Framework Test Automation, Postman (API Testing) UiPath, Cucumber

Cloud & Infrastructure: Docker, AWS

API Testing: Postman, Swagger UI

Version Control & DevOps: GitHub, Jenkins

Data Streaming & Messaging: Apache Kafka

Operating Systems: Linux

Software Development Lifecycle: SDLC, Agile Methodology

Bug Tracking: JIRA

KEY ACHIEVEMENTS

- Awarded "**Unit Level Leader's Choice Award**" for exceptional leadership & a demonstrated Growth Mindset.
- Honored with "**CREDO CAP AWARD**" for delivering exceptional results through a customer-centric approach and process improvements.
Recognized with "**ACE Card**" for executing 1,500+ test cases within a strict 3-day timeline, achieving 80% code coverage and meeting critical project milestones.

EDUCATION

DEGREE	INSTITUTION / BOARD	YEAR
MCA	Amity University Kolkata	2020-2022
BCA	Amity University Kolkata	2017-2020
